

Print off and use the 2 forms below to manage and progress your court planning needs

**Getting Started – What to consider (see step 1)**

QUESTIONS TO CONSIDER	TYPE/AMOUNT/CONSIDERATION
How old are your existing courts?	
What type of surface are your existing courts?	
How many courts do you have	
How many courts do you wish to resurface	
Would you like to stay the same or consider options?	

**Choosing the right surface for your club needs (see step 2)**

<b>Use the box on the left to tick all that apply</b>	
	A court surface that drains well so we can play soon after rain has stopped
	A court surface that is easy to look after and affordable to maintain
	A court surface that is affordable to install
	A court surface that represents good value for money
	A court surface that will be kind to our bodies
	A court surface that will help develop our players
	A court surface that will benefit our coaches
	A court surface so we can host tournaments and events
