

Aon Club Package

Reducing the cost of insurance for tennis clubs

▶ A solution for each club

As a major partner of Tennis New Zealand, Aon has developed a tailored insurance solution for tennis clubs across New Zealand to provide a broad range of cover, with premium savings.

▶ Free insurance review

Unless you know exactly what you're covered and not covered for, there is a chance that you are under-insured. Aon can review your situation and provide a suite of insurance policies that recognise the structure and operation of clubs to help minimise the risks.

When it comes to insuring your tennis club, Aon has you covered

Protection of your clubrooms, stock, and astroturf or courts against loss or damage

Protection for loss of profits from your bar, kitchen or shop following a loss or damage to facilities

Cover for the club's legal liability to outside parties or property, and liability under NZ legislation

Cover for unintentional wrongful acts by committee members, officers, trustees or volunteers of the club

▶ We're local

With offices spanning from Kerikeri to Invercargill, Aon provides local service in person, no matter where you are. From a review and quotation right through to claims, queries and ensuring competitive renewals, your Aon broker will work to be your trusted risk adviser.
