

Round up your Love Tennis Crew and join us for an energising evening packed with fun, connection, and inspiration as we celebrate the 10th anniversary of Love Tennis!

If you're not near one of the in-person events, no worries - you can still join the fun through one of our interactive Buzz Nights.

New this year: we've added a series of optional Buzz Zooms hosted by our expert Love Tennis Champions. These sessions are designed to support coaches, youth leaders and club volunteers. While optional, we'd love for at least one representative from your club to attend!

Don't miss out on all the Buzz!
